I'm pretty liberal when it cums to sex. I'll do it just about anywhere, but I am picky as to who I do it with. My boyfriend and I were fucking in our hotel room when a guy with room service knocks and comes right in. Well, we didn't stop; told him to leave the cart and come back two hours later to get his tip. And he did.

When we get together, it's always a good time, and no one is safe from it. It's just not going to be a good time until we get there and make it one.

Whenever there's a party, we're the first to cum! say Jezebelle and Carly. We're always the horniest girls in the room and if there's no action, well then, we'll get it started. Girls will leave exhausted and boys will leave with empty balls.

MUST BE 18+

sleepytime sex play

– Jason K., Boise, Idaho

Okay so I'm a guy. I've been interested in my female roommate for quite a while. When this story happened she was 19 and I was 20. We live in a two storey house just off campus. There are four of us altogether and we've been roomies since the beginning of the school year. It's three girls, Christine, Molly and Arlene – and me, Ed. I sleep downstairs in what used to be the den and they each have a bedroom upstairs. We all have full schedules and rarely see each other, which works out fine most of the time. Now, it's Spring Break and Christy and Molly have headed south to Havasu. That leaves me and Arlene alone for a couple weeks. During the break, we each took quick part time jobs; she at a coffee house and I worked at the campus bookstore doing inventory for the two weeks.

We'd both come home tired and sometimes grab a quick dinner together or just pass by in the house and off to our rooms. Arlene was a doll. She's about 5' 6' with shoulder length auburn hair and a kick-ass body she keeps hidden under oversized t-shirts and sweats. But I know better. A few days into the break, I brought home some wine for me, but Arlene saw it and thought it best be shared. I reluctantly agreed and we put it down in a matter of minutes. Not being a drinker, she started coming on to me a little and caught herself. I was surprised but pleased. She cooed how the winter had been cold and lonely and sometimes she just wanted another warm body in her bed. Was that a hint?

We only have one full bath in the house and after she finished, I went up to shower. I finish and walk down the hallway towards the stairs when I noticed her door was open and her panty-clad butt was out of the covers. Dare I? Yes, I dare. I went to her bed, took off her blanket and saw she was topless. Her panties were a cotton briefs and she looked sexy laying there. I started to rub her ass very gently. It was nice and firm. I decided it was now or never so I pulled down her panties as slowly and gently as I could. I decided to stop there and just go back downstairs before anything went wrong. I didn't think like that later though.

The next morning she said she felt weird last night. I thought I was in trouble but she didn't expect a thing. She said that it was just a dream and didn't think anything of it. I let another day and night go by, but the next night I was too horny and went for it again. I brought home a couple bottles and we downed both over dinner. I had made some lasagna and surprised her with it. About ten p.m. we finished and she went up to bed, looking back at me as she went up the stairs. I cleaned up

and went to take a shower. Not a cold one, I hoped. After I finished, I did everything again only this time her panties were lace. I pulled them down and started to finger her. I started to hear her moan so I took my dick out and masturbated to her moaning. But I couldn't cum because my mind was to focused on her pussy. So I spread her legs, spit on my dick and put it in. It was the best feeling ever.

I started to thrust and I noticed her moaning more and more. I'll never forget how it was wet and warm. I thought to myself if I'm not careful she'll wake up. I kept fucking her until I had to stop because she was turning over. I thought she had woken up but I said her name a couple times to make sure, but nothing. I started rubbing her boobs and playing with her nipples while I rubbed myself. Then she turned again and without opening her eyes, grabbed my hand and in a low sleepy voice said, 'No, do it like this.' As I feared she had woken up. But before I could say anything she pushed my hand down into her wet pussy and grabbed my cock with her other one. All without opening her eyes.

I went down on her and licked her pussy until she came. She then pushed me back on the bed and got down between my legs and started blowing me. I did not imagine Arlene was such a good cock sucker. She nuzzled by balls and I watched as she ran her lips up and down my shaft and then engulfed the whole thing in her mouth. She blew me until I came in her mouth, but she did not swallow. She got up and went to the bathroom. Returning, she jumped back into bed, kissed me and rolled over on her side and within a few minutes was sound asleep.

Long story short, Spring Break is over, but we're not.

making the grade

– April M., Clemson

It was my last class of the day. It was economics; I was never really good at economics, constantly on the verge of failing, my grade wavering between passing or not. I knew that this test would be the deciding factor if I had to retake this class or not. Mr. Harper was running late as usual. "Hello class." he said smirking. "I've graded your tests and some of you will be happy, but others, not so much..." As he began to hand out the tests, I could tell he was thinking of me. I bet it took every ounce of his strength to not try to fuck me right then and there. He never imagined looking at his students this way, but I was the exception.

I was wearing a typical summer outfit. Way too short denim shorts which definitely violated the dress code, my long legs and brightly painted, small toes. On top I wore a light blue blouse which contrasted against my tan skin. I didn't have the largest breasts but they were perky and I never got any complaints. He was just about finished passing out the tests, he gave me mine. "Thank you, Mr. Harper." I said before peeking at my grade. "You're welcome, April." he responded, then paced back to the front of the room.

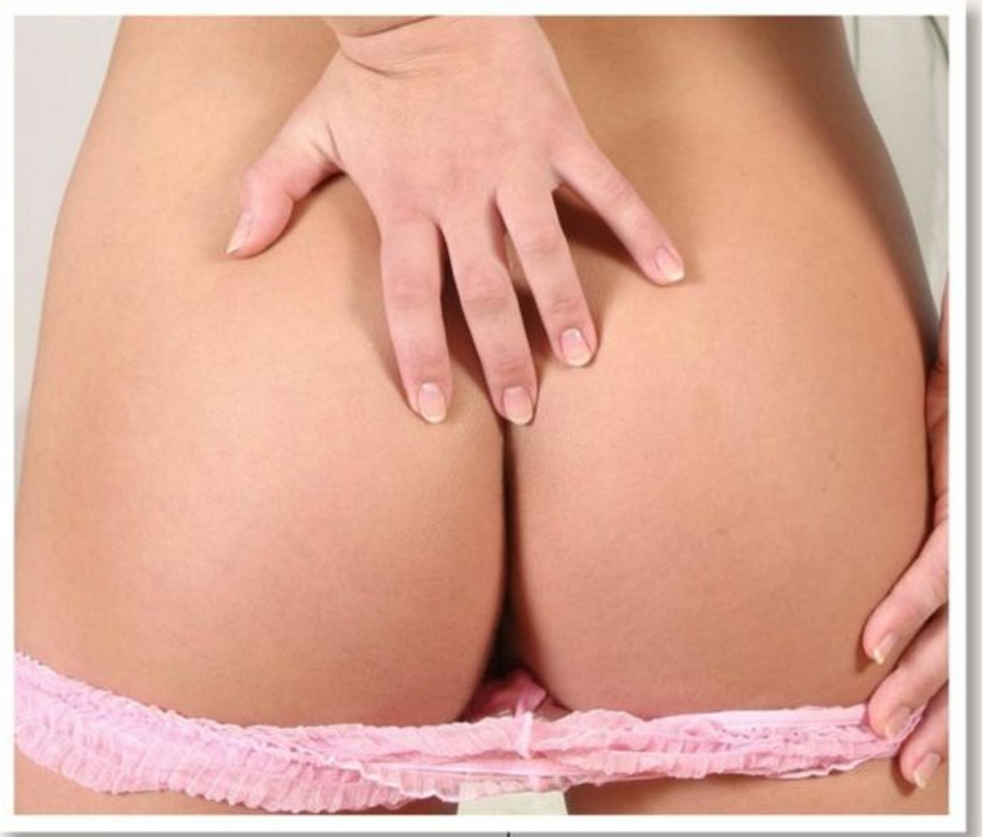
"If any of you have questions about your test, feel free to speak with me after class." he said. I slumped down in my chair at the sight of my failing score. This can't be happening to me. I looked around at the rest of the class cheering because they don't have to retake the test. Thoughts of what would happen if my parents found out I didn't pass this class flooded my mind. Having to retake the class, being grounded all summer. Having to go to summer school. I felt like crying. The room soon cleared and I waited after class to speak with Mr. Harper.



I went to his office and knocked.

"Mr. Harper, I have a couple questions about my test." I said approaching him nervously. "Have a seat April, I'm happy to help." he said as I gently patted the seat next to him. I awkwardly walked around his desk and sat next to him. "I was wondering... is there any way you could give me a passing grade. I do try hard and I thought I had done better on this test." I begged. "You don't understand how important it is that I pass." I asserted. "I must pass."

Mr. Harper taken aback by my pleading responded; "April, many students are in your position right now, but I just can't." "But Mr. Harper, I must pass your class. I'd do anything. Anything." I said in desperation. Mr. Harper got up and shut the door after looking outside to see if anybody was there. He slowly paced back to his desk. This must have been difficult for him. He could easily pass me, but it could get him fired. He sat down next to me crossing his legs. He noticed I was shaking and put his hands on my thigh. "April, go home now."

He got up to reopen the door. Turning around, he saw me still sitting steadfastly in the seat. He went back to his chair and sat down. "What exactly do you think you can do for me?" he asked in exasperation. Still shaking, I forced myself off my seat and onto his lap, straddling him. I put my arms around his neck and before he could say anything I planted my lips onto his, passionately kissing him.

Mr. Harper was so totally surprised by this, I think he subconsciously began to kiss me back. I pushed my wet tongue into his mouth, wrapping mine around his. He responded by rubbing my back up and down slowly. I felt a boner building up beneath his pants from the friction of my denim plus grinding back and forth against him. He pushed me off but that only made me more exited and I kissed him even more deeply. After ten minutes of this I hopped off of him leaving him feeling hornier than he probably ever can remember. He tried conceal his boner but I reached down and squeezed it.

"I see how you stare at me, Mr. Harper. Won't you please reconsider my grade?" I said and quickly left the room.

I love being on top. It's a control thing. When you have a 5 foot 3 inch girl riding a guy like a horse, that's control. When I've got a cock in my mouth or hands, that's control. When a guy cums because of what I did, that's control. When I leave the guy panting and wanting more, now that's real control. They are just puppies in my hands at that point.

mia

Yes, I heard it all the time, "Mama Mia."
At first I wanted to run when guys said it.
Now I expect to hear it from guys when I finish!

I didn't realize how sensitive my body parts were until I started playing with them. At first, when it was only me, I thought I was just too sensitive, but as I became more sexually active I found out. My breasts are incredibly sensitive and I've cum a little just by tweaking my nipples, And my clit, you can just blow on it and I'll cum instantly. Wanna try it?

lexi

My erogenous zones are very sensitive. I just love having my breasts touched and caressed. Then if they get squeezed harder, I'm in boobie heaven.

We were so incredibly horny last Friday that we just had to get off. One guy for each was not enough. We each had to have two.

This shoot was one of the most fun and sexiest we've ever done. It was amazing to be with four guys and have them fuck our super-sweet, super hot young pussies. It was cock-sucking, pussy-fucking, cum-eating party and you get to watch. We're really glad someone remembered to invite a photographer.

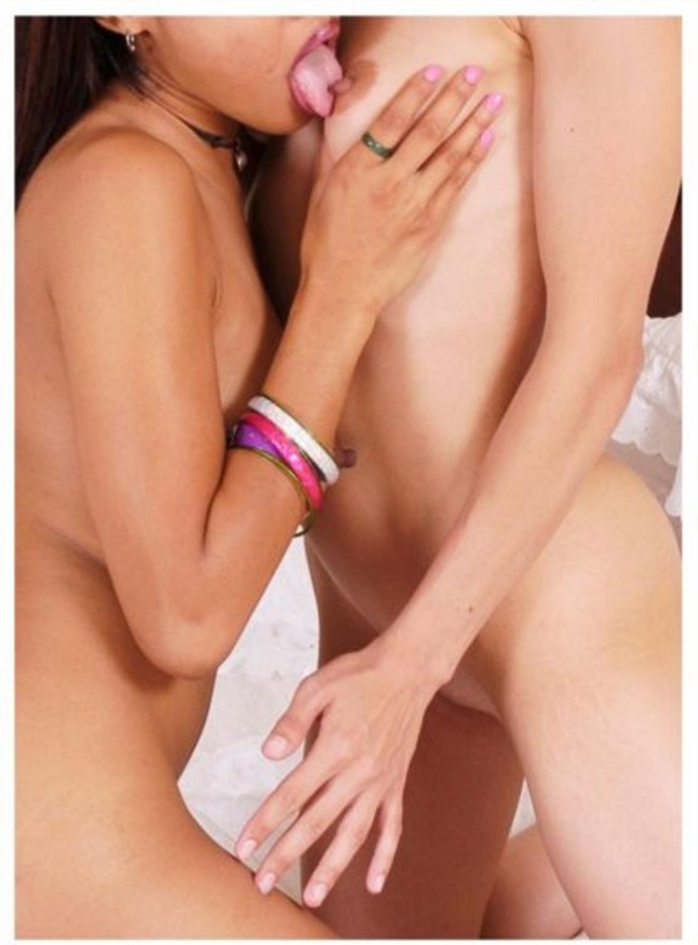
school can wait we can't

Jessie's sweet, full of fun and just so happens to love chocolate

Classes were over and I headed back to my dorm room. My name is Elya and I'm a senior with a major in 15th Century French Literature at a prestigious East Coast university. My roomie and best friend is Jessie. She's a junior with a major in Etruscan History. We're not really as geeky as our majors sound. We just want the opportunity to travel after our stint at school was over.

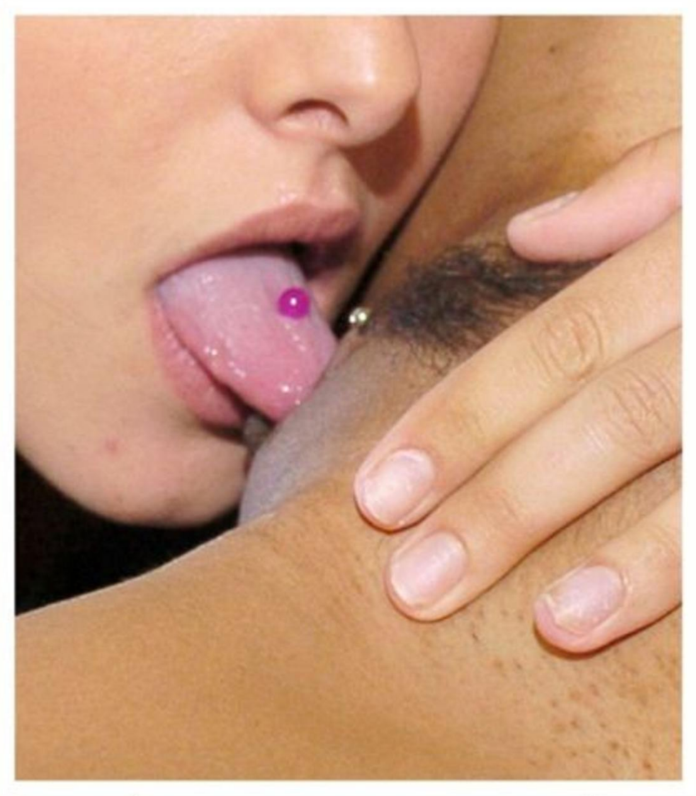


I'm the first one back and I throw my books on the floor next to the books from yesterday's classes. I can't wait to get out of all these clothes, so I strip down completely, fix myself some popcorn, pour a glass of soda, and settle on the sofa. I love eating popcorn naked, watching TV. Jessie would be coming home any minute. Her class ends about fifteen minutes after mine. So I'm sitting naked on the couch, softly stroking my bald pussy and watching a little TV while I impatiently waited for her.

When I heard the sound of a key in the door, I spring to my feet and as soon as she had entered the door I was on her. No words were spoken; I wrapped my arms around her, looked lustfully into her eyes and kissed her sexy lips. The way she kissed me back had my body just wanting to melt into hers. Our tongues played together in each other's mouth; our breathing got faster and at the same time carried our moans for each other. She grabbed my bare ass and pulled me even tighter to her, juices from my already aroused pussy were running down my inner thigh. I broke away and told her to get rid of her books.

I pulled her back close to me and after some more lust-filled kissing and our boobs pressed so tight together, I slide my hands under her blouse. Braless, I found her hard little nipples with my fingers; she let out a soft moan, and tilted her head back. One of my hands was massaging a boob as my mouth moved lower down her neck. I pushed her blouse up to where it was bunched up above her breast as my lips quickly foundd her hard nipple. Softly kissing and then sucking it, before moving on to the other.

I slid my hand down her tummy and found the button to her jeans. I unbuttoned her jeans, while my mouth was busy on her boob. Slipping my hand inside, I was pleased to find her not wearing any underwear at all, and just as I expected, she was quite wet for me. She took a deep breath as my fingertips parted her pussy lips and slipped one gently inside her.



I crouched in front of her and while I was covering her tummy in kisses and licks, my hands were pulling her jeans off her hips. Her hands were running through my hair, and urging me to go lower. Her jeans were on the floor at her feet, and as my kisses and licks moved lower, she stepped out of her jeans to spread her legs for me. I covered her pussy with my mouth and she immediately pressed into me. I plunged my tongue in her as deep as it would go, tasting that cream filled center of hers. I collect my tongue for another assault and in one slow long lick, I licked from her creamy pussy, to her clit, across her mound, over her bellybutton, between her breasts, up her neck, and found her lips with mine. We melted into each other as we kissed, letting her taste her own juices on my tongue and lips.

I steered her towards the sofa but only got as far as the large oak coffee table in front of it. Once her butt hit it she quickly hopped up on it, and spread her legs for me to stand between. She then leaned back I was kissing down her neck again as she was gently rocking her hips and grinding her wet pussy into me. With a smile I reached into my soda glass and pulled out a large ice cube. With a naughty smile on my face I reached out and slowly traced it down her neck, over her shoulder, across her chest, onto her perfect breasts, across her left nipple. Her wet little nipples were rock hard, and dying to be warmed back up as the water left behind by the ice cube ran down her body.

When my lips reached her nipples, I make sure to get all the water off them and warm them up properly. Kissing back up her neck, making sure to warm her up with my tongue and lips, our lips then found each other's. Her hands reached out and started playing with my boobs. My nipples were so hard as she played with them and pinched them. Stepping back again, I slowly traced a line down her body with the ice cube, starting at her neck, and ending at her bald pubic mound. Then tracing the cube up and down both sides next to her pussy, and finally ending with it pressed and melting against her clit.

Softly I licked her mound and then licked next to her pussy on both sides, ending with my lips on her swollen clit and softly sucking it. She was wiggling her butt trying to get me to lick the rest of her pussy, as I pulled away again. Opening the drawer under the coffee table, I pulled out a cute red vibe. It was only about four inches long, but put out a good buzz. Jessie looked at the vibe and quickly said, "Grab two, I have two holes!"

My jaw dropped. I reached back in and grabbed a second vibe, this gold-colored one was bigger than the first. I twisted the bottom of the gold one and it sprang to life in my hand. I slowly toyed around her pussy with it, running it around her pussy, through her folds and teasing her clit. I dipped the tip inside her, pulling it out and reinserting it as I fondled her boobs. I move my mouth down her body to where the vibe was pleasuring her. She softly moaned, running her fingers through my hair as I licked deep in her pussy. My face was covered in her juices, as I pushed her legs high in the air so that I could tongue that cute little butthole of hers.

Some of that yummy juice from her pussy had run down to her butthole, so I cleaned that up and probed her little butt with my tongue. Her butthole nice and lubed up with my saliva, I took the small vibe, twisted it on with one hand, and slowly slid it in her butt. With a deep breath she immediately pressed her butt down to meet it. I then went back to licking her pussy and fucking her with the gold one while slowly fucking her sweet little ass with the red vibe. My pace on the one in her ass was getting faster and deeper. I could tell she was getting close to orgasm. She began rocking her hips to match my thrusts with the vibes in both her holes. My lips latched on to her clit and sucked it for all it was worth. In a matter of moments she was cumming all over me.

Still fucking both her holes and sucking her clit, she let out a squeal, arched her back, and curled her toes as she came. I pulled the gold one out of her and covered her pussy with my mouth, licking up her juices as she came while still fucking her ass with the other. Her juices flooded my mouth, and I kept softly licking long after her orgasm had subsided, smiling at the look of satisfaction she had on her face and at how much I enjoyed pleasing her. Once she regained her composure, and I had licked up most of her juices, she sat up. She reached out with both hands, grabbed my face and with a smile pulled me to meet her lips. Passionately we kissed, my tongue, lips, and face covered in her juices.

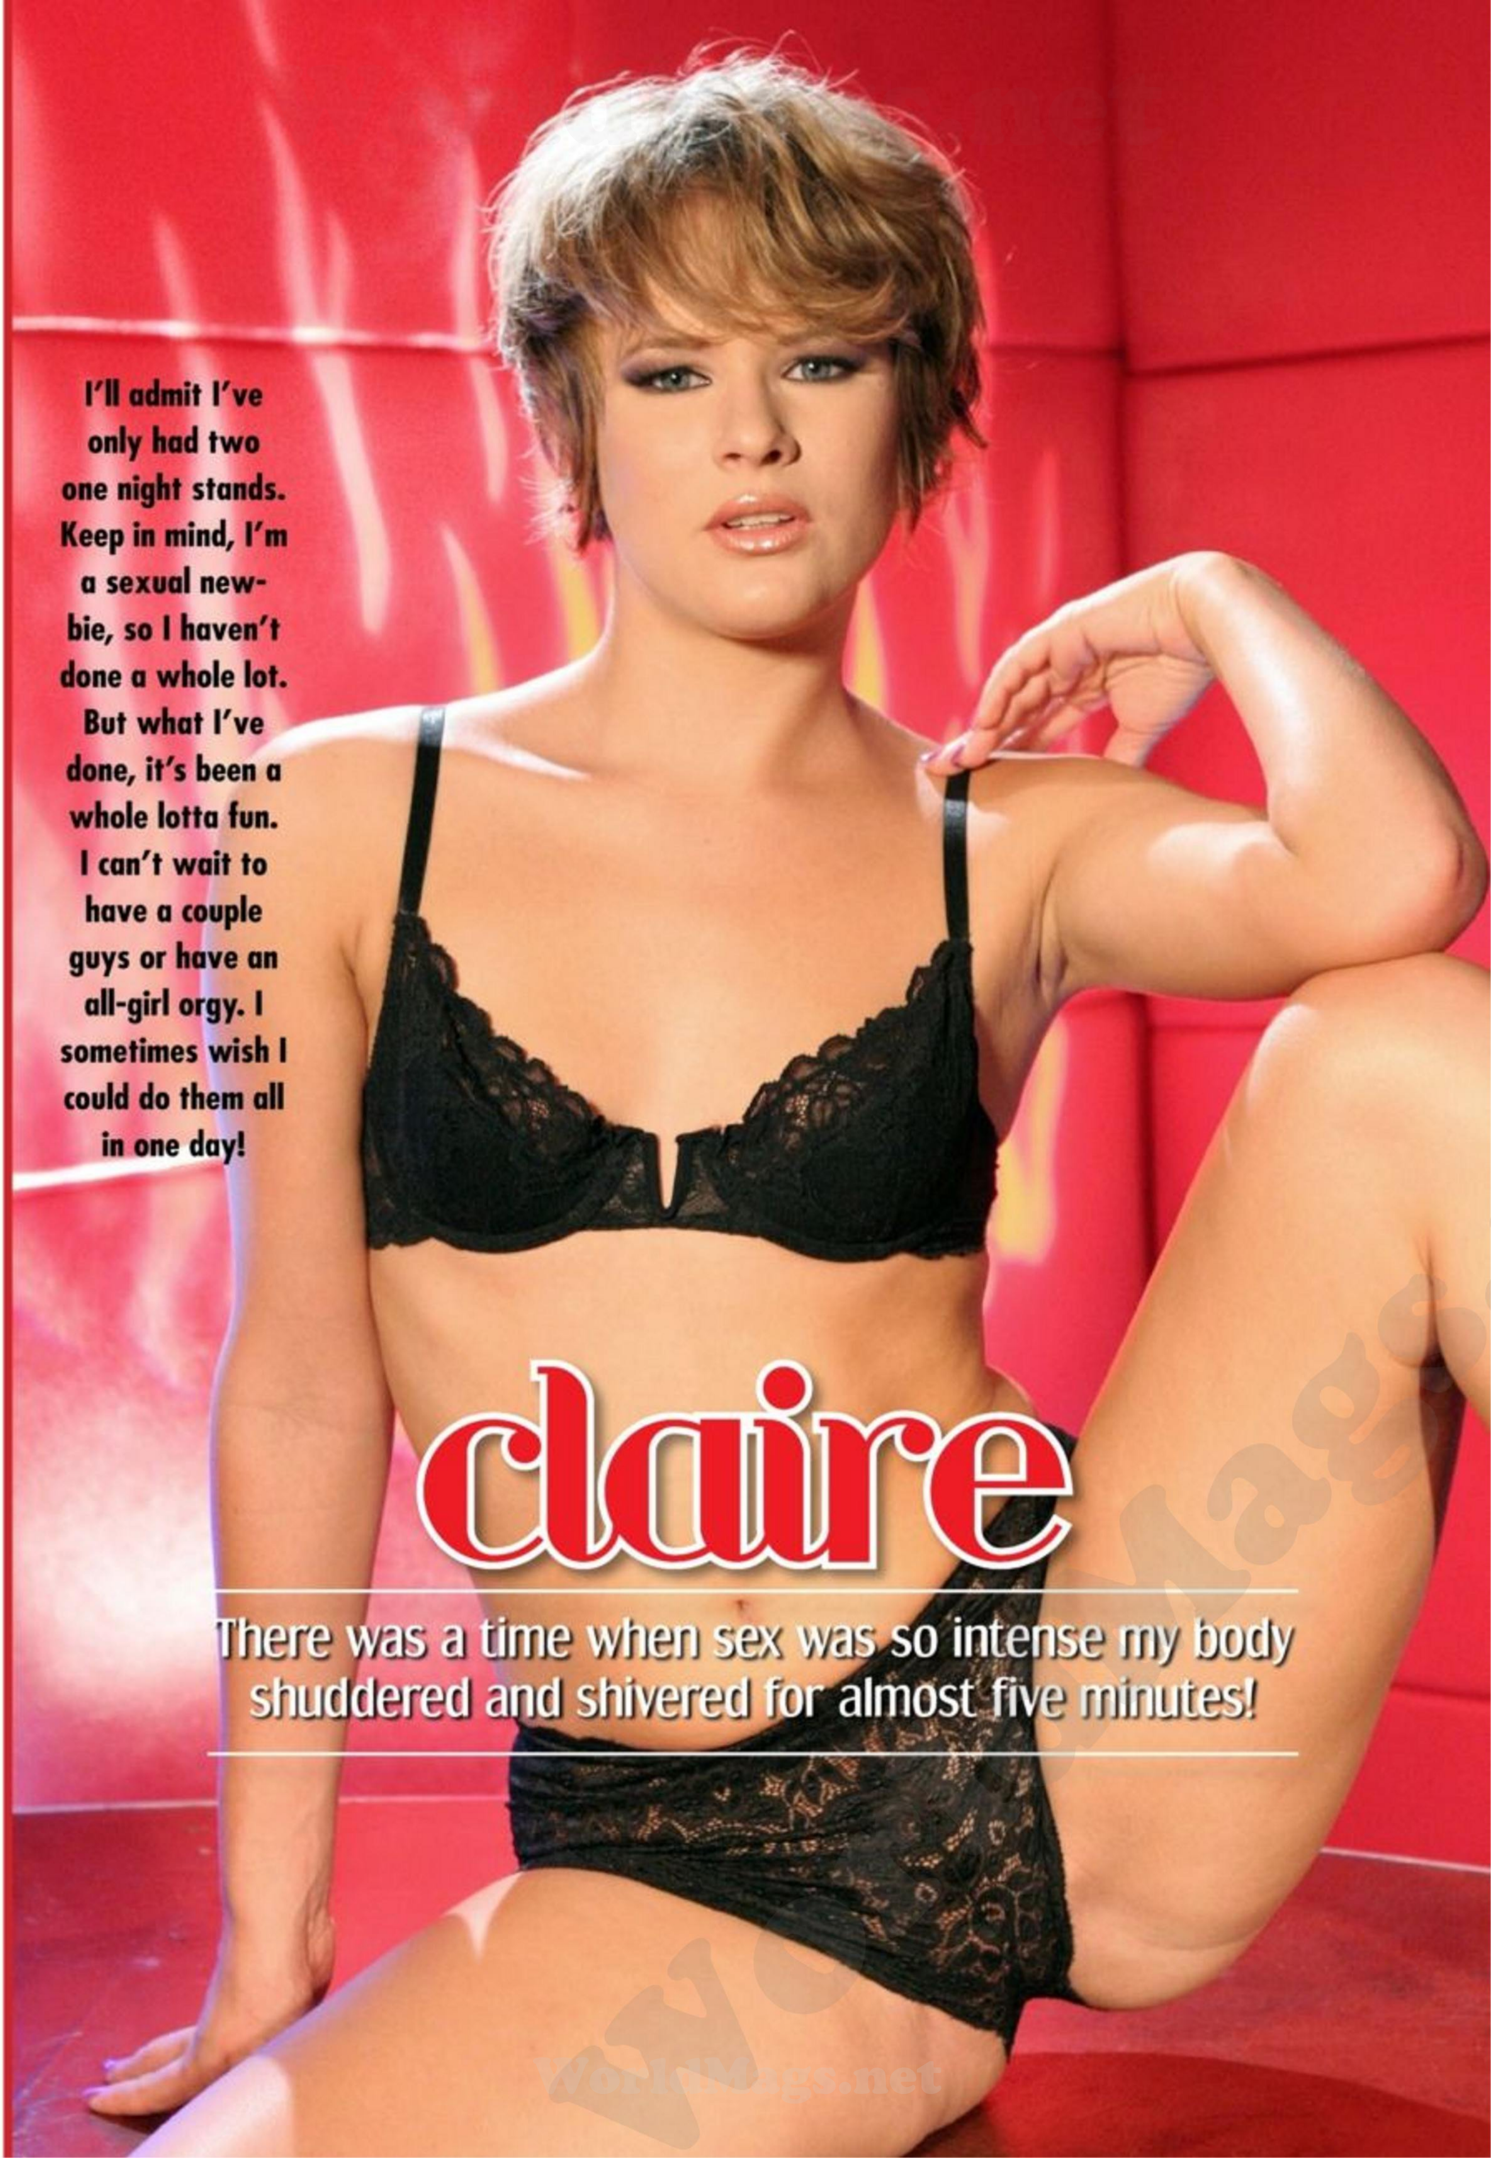
After cleaning her juices from my lips and face, she gently pushed me back, giving her room to hop off the table. She took me by the hand and guided me to lay down on the sofa. Then she went to our little kitchenette and pulled a bottle of chocolate syrup out of the refrigerator, she knelt down next to me and we started kissing again. With a naughty smile she started squirting it on my breasts, down my tummy, and on my wet pussy. With both hands she smeared the chocolate syrup all over my breasts and tummy. My breasts looked like two scoops of ice cream covered in chocolate with cherries on top, and that's exactly how Jessie treated them. Starting at the bottom of each scoop, she licked her way up, and gave my cherry nipples a little suck every time she reached them. Oh, it felt so good. Some of the chocolate had gotten on her face so, I pulled her to me, kissed her lips and licked the chocolate off her cheek.

> *I needed to cum! Her tongue never penetrated me deeply like I wanted, she was still teasing me.*

Jessie then lowered her kisses, reaching my belly button. She swirled her tongue in it and licked it out. As her kiss reached my panty line, it began to tickle a little, which caused me to lift my butt off the floor and almost push my pussy into her mouth. Her kisses reached my bald mound; I let out a gasp this time instead of reacting to a tickle; I so wanted her mouth on my wet warm pussy. Her tongue softly licked around my pussy, but never touched it. Everywhere her tongue went, I tried to push my pussy toward it, hoping she would give it the lick it so badly needed. Finally she licked it, and when her wet tongue parted my folds I nearly came. My pussy was so wet and creamy for her, and it felt so good having her tongue in me.

Jessie climbed between my legs as I spread them wide for her. She started to lick where she had left off, on my chocolate syrup-covered pussy and started licking it like an ice cream cone. I took a deep breath; yes, finally; I needed to cum! Her tongue never penetrated me deeply like I wanted, she was still teasing me. She pushed my legs in the air and with both hands I held them for her as she began licking the chocolate that had run down to my butthole, swirling her tongue around it and probing it. She found the red vibe and positioned it at the entrance of my butt and slid it right in. As soon as I felt it I pressed down on it, in an attempt to help her put it in deeper. Her mouth then went to my pussy, and plunged her tongue deep in me, as she slowly fucked my ass with the vibe.Then she grabbed the gold vibe and plunged it in my pussy. Her pace on the vibes in both my holes quicken and the orgasm I so needed was quickly coming.

Her mouth was sucking on my swollen clit. I was cumming, my head was spinning as the waves of orgasm rippled through my body. We wilted into each other, sliding our chocolate-covered bodies against one another. Holding each other we cuddled and softly kissed for the next several minutes and commented how lucky we were to both have such a hot and fantastic lover. Jessie, you're wonderful. Stay that way!



I'll admit I've only had two one night stands. Keep in mind, I'm a sexual newbie, so I haven't done a whole lot. But what I've done, it's been a whole lotta fun. I can't wait to have a couple guys or have an all-girl orgy. I sometimes wish I could do them all in one day!

There was a time when sex was so intense my body shuddered and shivered for almost five minutes!

Finally, I'm going to do it. I'm going to give up my anal cherry. I've practiced all week with my fingers and toys.

I'm about to do something I've waited for, something I've practiced for. I'm going to have my butt banged. I was very nervous so I practiced on myself. I think I can handle it. I just gotta relax, breathe deep and I know I'm going to enjoy it.
